SCROLL

1 child in every 15 needs your help

When you support an orphan, the child is less likely to be malnourished, abused, or to harm themselves and others, but grow into responsible adults and contribute to society.

YOUR DONATION WILL COVER THESE NEEDS —

Understanding Hunger In India

Every minute, **3 children** under the age of 5 in India die from hunger.

200 million people in India go to bed hungry every night.

191.8 million + people are undernourished in India.

Reasons For Malnourishment

Growing social and economic inequalities in India

Inefficient food distribution and lack of infrastructure

A vicious cycle of poverty keeping them trapped

● 1,837 people have already pledged to support the future of orphans

Enables social responsibility

When occupied with work we forget our responsibilities towards society, but I thank GiveIndia for streamlining the process and enabling working individuals to easily manage their social responsibilities alongside their jobs.

Seamless giving experience

It has been a fabulous experience to date. I don't need to give any reminders for the timely receipts or even if you have any genuine complaints, their chat is 24 hrs with all the details by email. I would like to rate it 5/5!
